The Dream Rifle will be:

- Custom tuned Remington 700 action (available in left or right hand)
- Shilen Match Grade stainless steel barrel with custom crown, hand fitted to the action in your choice of virtually any standard or wildcat cartridge. Choice of barrel length and contour; barrel will be “Cryogenically” treated so as to be totally stress-free.
- A dull Teflon finish will be applied to all metal work in choice of color, including Black, Dark Gray, or Stainless Steel.
- A lightweight Brown Precision Fiberglass stock with graphite reinforcing and custom 'glass bedded, with full free floated barrel. Stock design, color, type of recoil pad, and length of pull will all be to the winner's specifications.
- Trigger tuned to provide a clean, crisp, safe pull to winner's specifications
- Talley scope mounts.
- Choice of a Leupold VX III matte scope (1.5-5x20, 2.5-8x36, or 3.5-10x40)
